RE: Support for Council File #07-1212

Dear Councilmember Weiss:

I am writing today in strong support of the ordinance which mandates the spaying and neutering of domestic cats and dogs. Pet overpopulation is a preventable problem and I am confident that this ordinance will bring a simple solution to a major crisis.

I believe that your Committee's action on the Spay and Neuter Motion (CF # 07-1212) now would be most timely and appropriate so that its direction can be integrated into the City's legislative policy.

Enclosed you will find a copy of the draft ordinance. I send this forth to your committee for consideration and approval.

Yours truly,

A handwritten signature in black ink that reads 'Richard Alarcón'.
