R VETERINARIAN (Or attach Rabies Certificate) Fees Paid

This is your receipt for your animal's current license. The license must be renewed again prior to the above expiration date. If you do not receive a renewal form, you are still required to renew this license before it becomes delinquent.

If at any time your animal is missing, we encourage you to come to Sacramento County Animal Care and Regulation, City of Sacramento Animal Care Services, City of Folsom Animal Services, the Sacramento SPCA, Placer County Animal Services or El Dorado County Animal Services to look for your animal. As long as your animal is wearing a legible license tag, our staff will make every effort to notify you if your animal is impounded at a shelter. If the animal's tag is lost or damaged contact your local agency for a duplicate tag.

Retain this receipt for your records
